

## Amphibians for Vertebrate Biology

<u>Family/common name</u>	<u>#</u>	<u>Scientific name</u>
<u>Pipidae</u>		
African clawed frog		<i>Xenopus</i> sp.
<u>Pelobatidae</u>		
eastern spadefoot toad	10	<i>Scaphiopus holbrooki</i>
<u>Bufo</u> <u>nidae</u>		
American toad*	7	<i>Bufo americanus</i>
giant toad	3	<i>Bufo marinus</i>
<u>Hylidae</u>		
Blanchard's cricket frog*	11	<i>Acris crepitans blanchardi</i>
northern spring peeper*	17	<i>Hyla crucifer</i>
gray tree frog*	4	<i>Hyla versicolor</i>
western chorus frog*	20	<i>Pseudacris t. triseriata</i>
<u>Ranidae</u>		
bullfrog*	8	<i>Rana catesbiana</i>
green frog*	2	<i>Rana clamitans</i>
pickerel frog*	18	<i>Rana palustris</i>
northern leopard frog*		<i>Rana pipiens</i>
(normal coloration)	1	
(spotless Burnsii mutant)	5	
mink frog	6	<i>Rana septentrionalis</i>
wood frog*	9	<i>Rana sylvatica</i>
<u>Sirenidae</u>		
siren	4	<i>Siren</i> sp.
<u>Cryptobranchidae</u>		
hellbender	7	<i>Cryptobranchus alleganiensis</i>
<u>Proteidae</u>		
mudpuppy*	3	<i>Necturus maculosus</i>
<u>Amphiumidae</u>		
Congo eel	6	<i>Amphiuma</i> sp.
<u>Salamandridae</u>		
red-spotted newt	8	<i>Notophthalmus viridescens</i>
<u>Ambystomatidae</u>		
eastern tiger salamander	1	<i>Ambystoma t. tigrinum</i>
Jefferson salamander	5	<i>Ambystoma jeffersonianum</i>
<u>Plethodontidae</u>		
red-backed salamander	2	<i>Plethodon cinereus</i>
