

## Proficiency Assessment Rubric

Rubrics

### Rubrics

#### Rubric Category - General Computer Knowledge and Skills

Each subcategory has 3 levels of proficiency: Introductory, Intermediate, and Proficient.

Click on the icon (  ) to display the CTC Technology Standards and/or the ISTE NETS Standards addressed by this rubric.

#### Sub-Category: **General Knowledge of Basic Hardware and Software Terminology**

Introductory	<ul style="list-style-type: none"> <li>- Identifies hardware components, peripherals and their purpose</li> <li>- Identifies icons, windows and menus</li> </ul>
Intermediate	<ul style="list-style-type: none"> <li>- Uses icons, windows and menus</li> <li>- Uses basic peripherals (e.g. CD-ROM, storage media, etc.)</li> </ul>
Proficient	<ul style="list-style-type: none"> <li>- Incorporates general knowledge of basic hardware and software into lesson design as appropriate (e.g. vocabulary, naming and saving conventions, printing, etc.)</li> </ul>

#### Sub-Category: **Operation and Care of Hardware**

Introductory	<ul style="list-style-type: none"> <li>- Starts up and shuts down computer and peripherals</li> <li>- Uses a mouse</li> <li>- Inserts and ejects diskettes, CD-ROM, etc.</li> <li>- Uses software from a disk, hard drive, or CD-ROM</li> <li>- Creates, names/renames folders and files</li> <li>- Starts an application and creates a document</li> <li>- Names, saves, saves as, retrieves and revises a document</li> <li>- Prints documents</li> </ul>
Intermediate	<ul style="list-style-type: none"> <li>- Organizes the desktop</li> <li>- Initializes, formats, names diskettes</li> <li>- Copies documents between computer and diskettes</li> <li>- Chooses printer location</li> </ul>
Proficient	<ul style="list-style-type: none"> <li>- Allocates memory needed by applications</li> <li>- Accesses and changes control panels</li> <li>- Sets software preferences</li> <li>- Makes more system memory available</li> <li>- Performs regular maintenance</li> <li>- Organizes files and programs</li> <li>- Uses print preview and options</li> <li>- Opens and works with more than one application at a time</li> <li>- Shares files and printers on a network</li> <li>- Installs software</li> <li>- Selects and uses appropriate anti virus software</li> </ul>

#### Sub-Category: **Basic Troubleshooting**

Introductory	<ul style="list-style-type: none"> <li>- Restarts a frozen computer</li> <li>- Identifies directly connected or networked printer problems</li> </ul>
Intermediate	<ul style="list-style-type: none"> <li>- Troubleshoots basic hardware, software and printing problems before accessing the appropriate level of support</li> </ul>

	<ul style="list-style-type: none"> <li>- Checks cables for proper attachment</li> <li>- Solves simple printer problems with directly connected printer</li> </ul>
Proficient	- Troubleshoots common hardware, software, printing and network problems before accessing the appropriate level of support
Sub-Category:	<b>Integration, Student Learning, and Classroom Management</b> 
Intermediate	<ul style="list-style-type: none"> <li>- Explains various models for classroom management of technology</li> <li>- Cites examples of appropriate applications of technology as an educational tool</li> </ul>
Proficient	<ul style="list-style-type: none"> <li>- Selects and uses effective classroom management techniques using technology in a limited number of educational settings</li> <li>- Selects and implements appropriate technology tools to support teaching and learning processes</li> </ul>
